Club Disability Policy

Queen of the South Football Club is committed to ensuring that its supporters and customers who are disabled have as full access as is reasonably possible to all goods, services and facilities provided or offered to the Public by the Club

The Club fully supports the principle of equal opportunities and opposes all forms of unlawful or unfair discrimination on the grounds of disability. Our aim is to make the match-day experience as enjoyable as possible and inclusive for all supporters.

Discrimination includes:

- direct discrimination - treating someone with a disability less favourably than others
- indirect discrimination - putting rules or arrangements in place that apply to everyone, but that put someone with a disability at an unfair disadvantage

Queen of the South Football Club aim to fully comply with both the spirit and provisions of the Equality Act 2010.

For the purposes of this policy the definition of a supporter who is disabled is: If he or she has a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on their ability to do normal daily activities.

We will operate a concessionary ticketing policy for supporters who are disabled and will ensure that the scheme does not discriminate between people who are disabled with differing medical conditions.

The Club recognises that not all of its facilities are fully accessible to disabled customers and confirms that it is committed to making the necessary reasonable adjustments described by the Equality Act, 2010.

If partially sighted/blind visually or hard of hearing spectator requires the assistance of a guide dog, the dog will be allowed access to the stadium free of charge – other dogs are permitted entry only at the discretion of club officials depending on the dog's nature and match/crowd circumstances. If required, a suitable seating or terracing location will be provided where the dog can comfortably rest.

The Safety Officer has contact with the Disability Access Officer.
